

Welcome to the Kensington Marryatville Bowling Club.

We are keen to promote the sport of lawn bowls as a wonderful activity for all ages, and to also promote our club, as a welcoming and friendly community where people can enjoy playing the game and socialising with other bowlers.

Our club offers many varied opportunities to play bowls:

Social Bowling:

Social games occur on Tuesday and Thursday evenings from September until

March, during daylight saving, and throughout winter on Thursday and Saturday afternoons.

Pennant Bowls:

For those with a more competitive spirit we have teams to suit the whole range of abilities that play during the Inter-club pennant season from October to February, on Wednesday (men), Thursday (ladies) and Saturday (open gender). We also conduct occasional all day, sponsored inter-club tournaments. An inter-club series known as Taylor's Cup is also played on selected Sunday evenings.

Internal Club championships.

Club championship matches are conducted in singles and pairs for

men, women and mixed genders. As well as standard games, we play matches where results are determined by bowling consistency and matches for veterans are also offered.

An invitation

We would certainly welcome anyone who is interested in playing in any of these contexts, and the club has experienced qualified coaches for anyone who would like some free individual coaching sessions.

The Club.

Our club has terrific facilities with 3 greens, 2 of which are synthetic and allow for year-round competitions. Our grass green offers a great bowling surface for dry weather playing. We have a large clubhouse, an excellent location amongst other sporting clubs and we are surrounded by trees and parkland in the beautiful Kensington Reserve. We also have a large stock of modern bowls for players to use in various events.

Membership.

Our fees are amongst the lowest in the State.

The Club is offering new members:

FREE FIRST YEAR MEMBERSHIP

FREE CLUB PLAYING SHIRT

\$50 voucher at Jack High Bowls Shop.

We have other membership options and discounts for full-time students. Visit our website at: kensiclub.org.au for further details.
