

Summer Night Bowls at Kensington-

Marryatville Bowling Club. 'Night Owls'

Night Owls
SOCIAL LAWN BOWLS

Social bowls is played Tuesday and Thursday nights at Kensington-Marryatville throughout the daylight-saving period. Everyone is welcome, whether a new bowler or a seasoned bowler, whether young or old. The format varies between Tuesday and

Thursday nights, so choose the night that best suits you. You could come both nights if you are so inclined!

Tuesday Nights

Tuesday Nights is played as a pairs competition, but with all registrations normally being treated as individual entries, so that teams are selected by the organiser and vary from week to week. This adds to the fun and social nature of the competition. However, if you want to play with a particular partner each week or as a particular group any week (e.g. social group, family group, work group) we are happy to cater for this as well.

Tuesday Nights is a week by week competition, meaning that there is no commitment to attend each week. Instead simply register to play on a week by week basis via the registration sheet in the clubhouse or by phoning the organiser (see below).

Thursday Nights

Thursday Nights is played as a triples competition, where you enter your own team of three players. So, get together with a couple of friends, family members or work colleagues and come out for some fun! Note that you do not need to have the same three players each week, but we do ask that you field a team each week once you have entered the competition. There is, however, provision for single entry, where you will be placed into a team.
